

Zurich Intergroup WTF Hike #4

20 Sept. 2020

View from Planetweg on Uetliberg

WTF hikes are curated to combine beautiful outdoor hiking with fellowship among other recovering alcoholics. Typically, +-12 hikers (family/friends always welcome) and take 3-5 hours depending on return route home.

Our newest hike, led by Marika, is maybe the most popular hike for locals and tourists. Uetliberg has multiple trails from base to gipfel, so Marika will designate one for the group at the start. But if you prefer, take the train (S10) to the Top-of-Zurich and walk to Annaburg picnic shelter where we'll all enjoy a meeting and lunch together.
